### **In Cooperation with**

Pearson Education  
& Texas Instruments

You are cordially invited to attend a two-day conference on February 24<sup>th</sup> & 25<sup>th</sup> for teachers, coaches, teacher leaders and administrators who use the *Connected Mathematics Project* (CMP) curriculum. We will discuss issues related to increasing students' mathematical understanding and reasoning. This year a common thread throughout the conference will be a discussion of the **Common Core State Standards (CCSS)** curriculum and the **Mathematical Practices (MP)**.

As an attendee you will participate in sessions led by CMP authors, experienced CMP teachers, CMP leaders, and administrators. Videos, student work, and other artifacts from CMP classrooms will be used to stimulate discussions on:

- Aligning CMP2 with CCSS
- How the MP in CMP2 enhances student learning
- Increasing student learning
- Effective ways of teaching
- Assessment and grading
- Implementation, pacing, and management
- English language learners and special needs students
- Technology
- Productive classroom discourse
- Specific mathematical topics such as algebra, fractions, proportional reasoning...
- Differentiated Instruction in CMP classrooms
- Coaching in a CMP classroom
- Developing CMP teacher leaders

### **Schedule**

The conference will convene at 7:30 A.M. on Friday with check-in and a continental breakfast. The welcome, introductions, and overview will begin at 8:00. Both days will include plenary presentations and small breakout sessions with a number of choices for each time slot. A continental breakfast and lunch will be provided each day. The conference will adjourn at 2:00 P.M. on Saturday, February 25<sup>th</sup>.

### **Confirmation**

Upon receipt of your application and payment, we will send you a confirmation that will include instructions for downloading local maps and a tentative agenda. If you do not receive a reply from us, please contact us well before the conference. Please do not make flight reservations until you have received your confirmation. Enrollment is limited and attendance is not guaranteed without receipt of your confirmation.

### **Cancellation Policy**

No refunds can be issued after January 24, 2012. You may substitute another person in your place. Please notify us as soon as possible of any substitutions by e-mailing Judith Miller at miller@math.msu.edu.

### **Room and Travel**

Participants will need to make their own travel and hotel reservations. Rooms are being reserved under the name of Connected Mathematics at the

Kellogg Hotel and Conference Center  
55 South Harrison Road  
Michigan State University  
East Lansing, MI 48824  
800.875.5090  
www.kelloggcenter.com

**For additional hotel recommendations**, please see the CMP website:  
[www.connectedmath.msu.edu/conferences/hotels.shtml](http://www.connectedmath.msu.edu/conferences/hotels.shtml).

### **Parking**

Parking will be available at the ramp adjacent to the Kellogg Hotel and Conference Center at a daily rate of about \$8. Parking is complimentary for overnight guests.

### **Air Travel**

The Lansing community is served by several airlines at the Capital City Airport. Their web site is [www.flylansing.com/](http://www.flylansing.com/). You can expect the cost of a taxi from the airport to your hotel to cost about \$25. You may also want to inquire as to whether your hotel provides a shuttle. It is also possible to fly into the Detroit Metro airport and take a direct shuttle from the Detroit airport to downtown East Lansing for \$50 round trip. The station is about 6 blocks from the conference center. See [www.michiganflyer.com](http://www.michiganflyer.com) or call 888-643-5937 for schedules.
